

Training and Placement Rules

Introduction

Campus recruitment program conducted by the PIRENS Technical Campus (PTC) is a very vital activity for the students aspiring for appropriate placement in various organizations. With a view to be fair, equitable and transparent, the Training & Placement Cell of PIRENS Technical Campus has formulated an appropriate placement policy which is implemented and adhered by all the students at PIRENS Technical Campus and will be in force till its review at a future date. The placement policy will be applicable to all the students registered for placements assistance at PIRENS Technical Campus and is to be followed during the entire duration of Placement Session.

Placement Assistance

Placement support is provided by the PTC to eligible students. This activity is done under the aegis of the Training & Placement Cells. Periodically, students would be informed through the students groups mail ID as well as through the TPC Notice Board about summer internships or final placement coordinated through Training and Placement Officer (TPO).

Actual placements would depend upon the general economic and industry scenario, the academic and non-academic competencies including good soft skills developed by each student as well as the cultural fit of each student vis-à-vis the company, as determined by the recruiters visiting the campus. While every effort will be made to enable each student to compete effectively for various positions offered by companies, the actual conversion of the opportunity into a concrete placement is the sole responsibility of the student. The institute, therefore, does not guarantee that a particular student will be placed irrespective of the student's performance parameters.

The major components of the placement (summer or final) process are written/online test, G.D, Personal Interview, personality profiling etc. thorough domain knowledge, recruiters expect students to be totally updated on current national and world developments, especially those affecting the economy and the impact of such events on the industry or business for which the recruitment is taking place. The recruiter expects to see depth of understanding, analytical skills and originality in student responses, whether it be G.D. or Personal Interview. Needless to add that a good CGPA and proficiency in some extracurricular activity such as active club participation will be a very valuable add on for the student, which can be acquired through hard work, extensive reading, especially of financial and general news papers besides study of the course curriculum and last but not least, by regularly attending the class lectures, guest lectures, workshops and seminars organized by PIRENS Technical Campus. Equally important is a positive attitude, willingness to learn and a sense of humility. Please remember that companies are looking for proactive, energetic, diligent, well rounded personalities who have indisputable integrity and values propagated by PIRENS Technical Campus. The recruiter needs to sense the “hunger” for the job on offer for the candidate.

PIRENS Technical Campus will encourage and assist all students to emerge as credible brands in their own right who are sought after by the corporate.

From Training & Placement Team

Dear All,

The Training & Placement Cell offers itself to facilitate communication between students and industries and thereby bridge the gap between the two. PTC is proud of itself to have placed students who have been serving the nation in various designations at various MNCs & Organizations.

The corpus behind enabling the students to be what and where they want to be is the rigorous industrial training as well as industrial visits to various reputed companies in varied sectors arranged by the PTC placement cell. An enabling environment is made for these students in order to excel well in their future. We are quite confident about our students that they will make a markable move wherever they go and make their parents, PTC feel proud of them.

The most frequently cited accolades regarding our students from the organization which are regular recruiters from PTC include their ability to learn quickly, versatility, their performance as team players, excellent analytical skills, and most importantly the positive attitude that they bring to their jobs.

Role of PTC Placement Cell

- The role of the Placement Cell is of a facilitator and counselor for the placement related activities. Placement Cell does not guarantee a job. Applying for a company or joining a company is entirely the responsibility / decision of the student concerned.
- The objective of the placement cell is to provide one job for each student, where in, the facility is available to all the students registered with the placement cell through the policy 'ONE JOB TO ONE STUDENT AT THE FIRST INSTANCE'.

Policy Commencement Date

This placement policy is applicable from August 1, 2016

Eligibility criteria

- All the MBA-II and MCA-III students expected to be pass out from the institute in the respective academic year shall be eligible to participate in the placement activities during that academic year. Students graduated from the PTC, if not placed, will also be eligible to participate. Their participation is subjected to their registration with the Placement Cell.
- MBA-I as well as MCA-I & MCA-II students are also eligible to participate in placement activities subject to accomplishment of educational eligibility criteria of participating companies/organization for placement drive.
- The job postings along with the eligibility criteria will be displayed on the college website www.pirensibma.com, T & P Notice Board and Student Notice Board.
- The students who have minimum attendance of 75% in both theory and practical in every semester are eligible to sit in the campus interviews. Students below the 75% attendance need to take necessary approvals from TPO and Director of the institute. Similarly, attendance in Personality Development programs & Employability Training programs organized by Training & Placement Cell should also be 75%. Any failure towards the same will require approval from TPO.
- Both the HOD's (MBA/MCA) should provide the semester wise cumulative attendance of every student to the Placement Cell after every semester. Placement cell is to maintain attendance records and put students for Campus interviews accordingly.

Process and Regulations

- Students have to register himself/herself at the Placement Cell of the PTC, submitting relevant documents / requirements for the process.
- The students should submit their latest CV to the respective Placement Cell Coordinators in both, a soft copy as well as in the hard copy format. The CV file should be in Ms-word (.doc) format, and the file name should contain their department, batch (year of passing out) and name (eg. MBA2017_manish_agarwal.doc.) No other format will be accepted.
- The Placement and Training Cell sends invitations to companies/organizations along with relevant information.
- Pre-Placement Talk can be organized by placement cell.
- Companies confirming for recruitment at the campus will be studied in detail by the Placement Committee. This study will be done by the Placement Committee on the basis of various details provided by the company through 'CAMPUS PLACEMENT - RESPONSE FORM' (such as package details, job profile, number of branches, number of students etc.)
- After confirmation by the company/ organization, the Training and Placement Cell will announce the dates for campus interviews. The Order in which the companies are invited for the Placement is decided by the TPC, and is based on various parameters such as pay package offered, the demand from students, and the profile of the company.
- Student must meet the eligibility criteria laid down by the company. Job postings along with the eligibility criteria's will be displayed on the college website and notice board for each placement interview.
- Student eligible for any placement drive will have to give his / her consent before attending the same, to the concerned coordinator or at the placement cell. Failing which the candidate will be marked absent for the said drive.
